Dear Valued Client,

The Health Resources and Services Administration (HRSA) COVID-19 Claims Reimbursement to Health Care Providers and Facilities for Testing, Treatment, and Vaccine Administration for the Uninsured, which included laboratories, is ending due to insufficient funds\*.

Effective today, March 22nd, the HRSA program will no longer accept claims for COVID testing and treatment for uninsured patients. With this change, Premier Medical Laboratory will discontinue our HRSA process for uninsured patients and will bill them directly. This applies to COVID-19 PCR and for COVID Ab testing.

If you have any questions, please feel free to contact the laboratory.

Sincerely,

Premier Medical Laboratory
